DRIVING DIRECTIONS

From the North:

Take 405 south to Kirkland, then take 520 West exit (to Seattle). At the end of the on ramp, stay in the right lane to exit at 108th (first exit on 520).

At the end of the exit ramp (stop light), turn right and move into the middle lane. Go straight through the light (cross street is Northup) and start up the hill.

Turn left at the light on NE 38th Place (just before the South Kirkland Park & Ride). Go past the Park & Ride and the buildings, and watch for the next driveway on the right for Yarrow Bay Office Park.

Turn right into the Yarrow Bay Office Park, you can park in the parking lot to your left as you start up the drive. After parking your car, cross the ramp towards the buildings. We are in the Quad 1 North building.

You can either walk through the parking garage of the 2-story building (Quad 1 North) to the elevator or you can take the stairs between the buildings (North and South) and use the main entrance. The LWEA office is on the second floor, just past the elevator. The meeting room is also on the second floor to the right of the elevator.

From the South:

Take I-405 north past Bellevue, to the 520 West exit (Seattle). At the end of the on-ramp, stay in the right lane to exit at 108th (first exit on 520).

At the end of the exit ramp (stop light), turn right and move into the middle lane. Go straight through the light (cross street is Northup) and start up the hill.

Turn left at the light on NE 38th Place (just before the South Kirkland Park & Ride). Go past the Park & Ride and the buildings, and watch for the next driveway on the right for Yarrow Bay Office Park.

Turn right into the Yarrow Bay Office Park, you can park in the parking lot to your left as you start up the drive. After parking your car, cross the ramp towards the buildings. We are in the Quad 1 North building.

You can either walk through the parking garage of the 2-story building (Quad 1 North) to the elevator or you can take the stairs between the buildings (North and South) and use the main entrance. The LWEA office is on the second floor, just past the elevator. The meeting room is also on the second floor to the right of the elevator.

From the West (Note: the new 520 bridge changes may affect these directions):

Take 520 over the lake to the Eastside (go past Bellevue exit) to the Kirkland exit. At the end of the exit, you will be traveling north on Lake Washington Blvd (also called Bellevue Way). Staying in the right lane, go through the light at Northup to the next light.

Turn right on NE 38th Place (Shell gas station on the corner) and continue past the Eastside Prep building on the left (used to be the Keg Restaurant) to the next driveway on the left.

Turn left into the Yarrow Bay Office Park, you can park in the parking lot to your left as you start up the drive. After parking your car, cross the ramp towards the buildings. We are in the Quad 1 North building.

You can either walk through the parking garage of the 2-story building (Quad 1 North) to the elevator or you can take the stairs between the buildings (North and South) and use the main entrance. The LWEA office is on the second floor, just past the elevator. The meeting room is also on the second floor to the right of the elevator.

From the East:

Take 520 west to Seattle, go under I-405, and take the next exit - 108th.

At the end of the exit ramp (stop light), turn right and move into the middle lane. Go straight through the light (cross street is Northup) and start up the hill.

Turn left at the light on NE 38th Place (just before the South Kirkland Park & Ride). Go past the Park & Ride and the buildings, and watch for the next driveway on the right for Yarrow Bay Office Park.

Turn right into the Yarrow Bay Office Park, you can park in the parking lot to your left as you start up the drive. After parking your car, cross the ramp towards the buildings. We are in the Quad 1 North building.

You can either walk through the parking garage of the 2-story building (Quad 1 North) to the elevator or you can take the stairs between the buildings (North and South) and use the main entrance. The LWEA office is on the second floor, just past the elevator. The meeting room is also on the second floor to the right of the elevator.

From Lake Washington Blvd (traveling south):

Follow Lake Washington Blvd south towards 520. At NE 38th Place, turn left (Shell gas Station on the corner) and continue past the building under construction on the left (used to be the Keg Restaurant) to the next driveway on the left.

Turn left into the Yarrow Bay Office Park, you can park in the parking lot to your left as you start up the drive. After parking your car, cross the ramp towards the buildings. We are in the Quad 1 North building.

You can either walk through the parking garage of the 2-story building (Quad 1 North) to the elevator or you can take the stairs between the buildings (North and South) and use the main entrance. The LWEA office is on the second floor, just past the elevator. The meeting room is also on the second floor to the right of the elevator.

From Lake Washington Blvd / Bellevue Way (traveling north):

Follow Bellevue Way north, cross over 520, get in the right lane and go through the light at Northup to the following light.

Turn right on NE 38th Place (Shell gas station on the corner) and continue past the Eastside Prep building on the left side (used to be the Keg Restaurant) to the next driveway on the left.

Turn left into the Yarrow Bay Office Park, you can park in the parking lot to your left as you start up the drive. After parking your car, cross the ramp towards the buildings. We are in the Quad 1 North building.

You can either walk through the parking garage of the 2-story building (Quad 1 North) to the elevator or you can take the stairs between the buildings (North and South) and use the main entrance. The LWEA office is on the second floor, just past the elevator. The meeting room is also on the second floor to the right of the elevator.

From NE 70th (traveling west):

Take NE 70th over I-405 and continue west until the road becomes NE 68th (road curves).

Turn left on 108th Ave and continue for several miles past Northwest University, Emerson High School, round the curve and start down the big hill. Go past the South Kirkland Park & Ride and turn right at the light on NE 38th Place.

Follow NE 38th past the south side of the Park & Ride and the buildings, and watch for the next driveway on the right for Yarrow Bay Office Park.

Turn right into the Yarrow Bay Office Park, you can park in the parking lot to your left as you start up the drive. After parking your car, cross the ramp towards the buildings. We are in the Quad 1 North building.

You can either walk through the parking garage of the 2-story building (Quad 1 North) to the elevator or you can take the stairs between the buildings (North and South) and use the main entrance. The LWEA office is on the second floor, just past the elevator. The meeting room is also on the second floor to the right of the elevator.
