The latest NEA Member Benefits research shows recent graduates are leaving higher ed schools with greater and greater debt. We know that student loan debt is a critical issue for our members. Teresa Muench, our expert from NEA Member Benefits will walk us through the process of Loan Forgiveness. This program is a result of NEA's "Degrees Not Debt" campaign.

Our NEA Member Benefits expert tell us that the only absolute disqualifier would be someone who has consolidated ALL of their loans into the private marketplace.

In order to complete the paperwork, you will need your FAFSA ID.
