

Evidence & Artifacts in your PGE:

Strategies and resources for putting your best foot forward

October 25, 2017

4:30 - 7:30 PM

Let's focus on the types of evidence and artifacts that can be used to demonstrate the learning that is taking place in your classroom - as outlined in the Danielson Framework and the Washington State teacher evaluation criteria.

Through discussions and examples, you will learn strategies that will help you showcase your instructional and professional practices during your evaluation conversations with your administrator. Participants have shared that this class has helped them feel prepared and confident for their pre-observation conference.

Where:

LWEA Meeting Room #214
(Directions [here](#))

Details:

\$20 for WEA members (\$40 for non-members based on space available).

A light dinner and three (3) TPEP clock hours are included in the registration fee. Make check payable to LWEA.

Register:

Send this form and your check to Sheila Hagerman in the LWEA Office.
